Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 05 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, bright Sunday in most places. Showers continuing east coast.

Today:
A few showers near the east coast otherwise dry and bright with some sunshine, best over the west. A cold day but fresh northerly winds in the east gradually easing down.

Tonight:
Some clear spells over central and western areas allowing a frost to form. Then cloud thickening overnight, with some rain and, on high ground, a little snow developing.

Monday:
Cloudy at first with outbreaks of rain, with snow on the hills, then brightening up from the west with some sunshine. Showers following to west, wintry on higher ground.

Outlook for Tuesday to Thursday:
Bright start Tuesday then heavy rain, with heavy snow on high ground, briefly to low levels, with easterly gales. Showery on Wednesday, hill snow. Bright, showers on Thursday, rain later.
